

The plenary of the [Belgian EBCP Mirror Group](#) is a bi-annual even organised to share the updates about its activities and discuss the latest projects in the Belgian cancer field.

Programme

13.00 – 13.05 **Welcome and introduction**

13.05 – 13.15 **Updates from the Belgian EBCP Mirror Group**

Jinane Ghattas (Scientist - Sciensano)

13.15– 14.15 **Cancer Mission in Action: Projects & Perspectives**
This session showcases innovative projects under the Mission on Cancer highlighting advances in cancer research, data sharing, and public engagement. Following the project pitches, a panel discussion will explore synergies, challenges, and future directions in transforming cancer research and innovation across Europe.

14.15 – 14.30 **Coffee break**

14.30 – 16.50 **Foresight Workshop: AI for knowledge management in cancer care and research**
This foresight discussion explores how Artificial Intelligence (AI) and Generative AI (GenAI) can improve the management of knowledge and evidence from the European Beating Cancer Plan (EBCP). It will highlight their potential to support cancer care and research.

16.50 – 17.00 **Next Steps and Closing**
